Information on this application should be typewritten or printed. If additional space is required, attach extra 8 ½ by 11 sheets to the application.

Before submitting your application, make certain all the requirements have been fulfilled. Deadline for receiving the application is four months prior to the Symposium/Footing Academy. After submitting the application, each applicant may participate in phone interview conducted by members of The League's Footing Committee. Please note that only six applicants will be selected for the Advanced Footing Academy. If you are selected, you will be notified by December 1, at which time you will have 30 days to submit your registration fee in the amount of \$700. Failure to submit your registration fee on time will result in losing your space in the Academy and the next applicant in line will be selected. Should you not be selected, your application will remain eligible for consideration for a three year period from the date the application was submitted. In any given year, should the class not be completely full, The League reserves the right not to hold the Academy.
